All students are required to bring their own racquet, water bottle and dress to play tennis with loose fitting clothes and sneakers with laces.

TIPS FOR BUYING A RACQUET: When purchasing a racquet for a child, be sure that it is small and light in weight. A junior racquet measures 21-26 inches in length. The grip should wrap around the handle comfortably. The width of approximately two index fingers should be left to allow the students to grow into the racquet.

Participants should come prepared with their own racquet, sneakers and water bottle.
