Next Meeting – February 8, 2021

9.6 The Five-year Checklist at a Glance

A darkened ball follows each goal below for the years that work will be done on it. The checklist allows a visualization of the work balance achieved by prioritizing the community forest needs in a format that is easy to implement. In some cases the same objective will be repeatedly addressed. In other cases there may be different objectives addressed in different years. See Section 9.5 for more details related to this.

<u>GOALS</u> <u>No. & Brief Title</u>	<u>1st Year</u> <u>2019</u>	<u>2nd Year</u> <u>2020</u>	<u>3rd Year</u> <u>2021</u>	<u>4th Year</u> <u>2022</u>	<u>5th Year</u> <u>2023</u>
1. Establish Arboretum	①	②	③	④	⑤
