OPENING COMMENTS BY THE TOWNSHIP COUNCIL:

COUNCILMAN BORRELLI- First part inaudible. Parade route starts at Holman Elementary School and ends at Johnson Park; come support and honor our veterans and those who made the ultimate sacrifice and service to our country. Anyone interested in participating in the Memorial Day Parade wants to serve as a vendor contact Officer Mike Basso by email at mbasso@jacksontwpnj.net. Former Councilman Sauickie and Assemblyman the New Jersey MVC coming to Jackson to provide mobile services to anyone who needs it. More information can be found on the Township website and links to make an appointment at the MVC. Happy Mother's Day to all the moms out there and Clerk Moss. God Bless Jackson and as my almost 91 year old mom would say God Bless America.

COUNCILWOMAN KUHN- Thanks everyone for coming out tonight. Congratulations the new hire for PD. Commented how nice the event on Saturday was at the blue claws and great to see PD and Fire Department play against each other. It was a great afternoon of just fun with kids to raise money for children with cerebral palsy. There is a holiday on May 9th called Lag BaOmer which people have bonfires to celebrate. Gives thanks to the fire department Michael Grossman and Scott Rauch reached out to residents to keep them safe and make sure there area is safe to have

a bonfire. New business in Brookwood Plaza called Panini Café. Thank you for coming and have a great night.

COUNCILMAN SARGENT-Prayers to everyone's family members who lost anyone in the shooting in Texas. Hopefully justice will be served. Thanks and good evening.

COUNCIL VICE PRESIDENT CHISHOLM-Echoes congratulations to the new PD hire. Happy mother's day to all the moms. State BOE wants to lower standards for state tests, if they would raise them our children would not pass English and Math. They are lowering standards to help make our children's grades look good. More whale and dolphin deaths and somehow that is not a problem and years ago they talked about sonar and how the military was killing these animals because of their radar. Anti-wind means your anti-environment it is ruining our environment and more toxic, so call your congressman and vote against this. Thanks and have a great night.

COUNCIL PRESIDENT FLEMMING-Council has covered everything, let's continue with the evening.
