Is the Local Government required to comply with NJSA 11A **(Civil Service)**? - YES or NO

YES

Note - **Base Pay** is the annualized rate of pay to which overtime (if eligible) and/or pension is calculated. Either calculation is fine at the discretion of the Local Unit. Overtime and other compensation is any other item that is charged as a salary and wage expense but not included in Base Pay.

Add-On Ratables for New Construction - Assessed Valuation X Tax Rate				
	31,111,100.00	0.4540	141,245	

Chapter 89, Public Laws of 1990 places limits on Municipal spending authority. Commonly referred to as the CAP LAW, a growth restriction is imposed based upon an annual inflation limit on most appropriations noting limited exclusions exist (E.G.-Debt Service, Grants, Inter-Gov't Contracts, & Uncollectible Tax Reserve). A set State index rate can be increased to a maximum of 3.5% at the discretion of the Governing Body by ordinance of each respective Municipality.

A review of the enclosed calculation reflects last year CAP as a basis for the 2016 budget period. Taking last years total budget and removing the exceptions, a calculation of 0% is computed for the annual inflation adjustment. Consideration is given to Municipalities experiencing significant growth by permitting an adjustment for new construction placed on the tax rolls as shown to the left. An allowance is also permitted for unconsumed CAP adjustments by allowing a 2-year banking of CAP credits for good management.

Current Surplus Anticipated in 2016 Budget	2311600	2,999,000.00	
Surplus Balance Remaining	2311700	2,248,500.51	

2016

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.S.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- _____ years. (Exceeding minimum time period)

- Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Program presented herewith is an estimated projection of Capital Projects for the next six years. It should be noted that the foregoing does not represent an appropriation of funds for the purposes listed, but merely a plan of capital improvements that are being contemplated in 2016 and the ensuing five years. A funding authorization is required in the form of a budget appropriation or capital ordinance before monies are available for the projects outlined in this section.

Every effort has and will be made by the Mayor and Township Council to plan improvements which are responsive to the needs of the community. Should unanticipated needs arise, the capital program will be revised or amended accordingly.
